

QUICKBOOKS FUSION

Synergy in Accounting and Process

OVERVIEW

SIMPLE AUTOMATED INTEGRATION

Save time and money: QuickBooks Fusion intelligently exchanges key data between Quick Base and QuickBooks; eliminating painful data-duplication, reducing costly accounting errors, and boosting your teams' productivity by putting everyone on the same page. If you use QuickBooks and Quick Base, our integration is a "must-have" bridge between your process and your financials. Fusion for QuickBooks integrates customers, bills, invoices, payments, estimates, timesheets, and much more!

\$200 PER POINT OF INTEGRATION
\$100 MONTHLY SUBSCRIPTION
